

Leading the Pack!

Polaris K-12 supports an evolving program that creates an environment, which challenges its members to personal excellence, life, long learning, and ethical responsibility to self, community, and world.

Students, staff and parents embody the Polaris mission on a daily basis. Please take a look around and nominate a person or group you feel deserves to be recognized for **exceptional contribution** to the Polaris community.

1. Using one of the nomination forms, describe why you think a person or group is deserving of the Polarian Award.
2. Submit your nomination by putting it in the Polarian Award Nomination Box in the office by the first Monday of each month.

Please remember Polaris is an extended community. Anyone in our community can be recognized. This is an opportunity for advisories, classes, friends, parents and others in the community to talk about what it means to be Polarian and have conversations about who is exhibiting characteristics to which we all admire and aspire.
